

More growth potential

With the 1 Year S&P 500 5% Daily Risk Control Spread

It can be challenging to safely grow your money when interest rates are at historical lows. The national average rate of short-term CDs, money market accounts, and savings accounts is less than one percent.¹

So, how can you ensure your money is growing and will meet your future income goals, while getting the safety you expect from these cash-like options?

Find better returns in today's low interest rate environment

A Lincoln fixed indexed annuity can help you get the safety you want with the potential for higher returns than other conservative products may provide. It has a crediting account option tied to the performance of the S&P 500 Daily Risk Control 5% Index called the 1 Year S&P 500 5% Daily Risk Control Spread.

Highlights of the index

- Does not include bonds, and does include dividends
- Upside potential with less exposure to market fluctuations
- Participation in the performance of U.S. large-cap markets while managing volatility
- The ticker symbol is SPXT5UT and the index launched September 10, 2009
