Athene FIA Production Bonus for Individuals

Thank you for your continued business and for all you do to help your clients retire successfully. To recognize the contribution of top producers to our shared success, we're offering an added production bonus for Individuals that applies to qualifying Athene fixed indexed annuity (FIA) sales in the IMO channel throughout 2023.¹ **Take advantage of this opportunity to make 2023 your best year ever.**

The sky is the limit to how much you can earn in 2023!

Consider the potential payout:

Total FIA issued premium	Production bonus paid
\$10 million	\$50,000
\$15 million	\$50,000
\$20 million	\$100,000
Every additional \$5 million	\$50,000

Qualifying sales include business issued between January 1 and December 31, 2023

- To qualify for the bonus, applications must be received by Athene "in good order" and have an issue date no later than December 31, 2023.
- Payments will be made in the month after production milestones are met.² For example, if \$10 million in production is reached in July, the bonus would be paid no later than August 31.
- Bonuses are based on individual production only. Aggregating premium across multiple producers will not be allowed.
