Product enhancement

Exciting news: even higher guaranteed retirement income with Nationwide<sup>®</sup>!

**Effective October 23, 2023**, the income benefit base bonus<sup>1</sup> for the Nationwide High Point 365<sup>®</sup> Select Lifetime Income Rider with Bonus will be **increasing from 20% to 30%**. The rider is available for an additional cost with a Nationwide New Heights<sup>®</sup> Select fixed indexed annuity.

Don't forget our other features with this rider:

- 8% compound annual growth<sup>2</sup>
- 1-year terms now available

### **FOR PENDING BUSINESS:**

Any contracts in pending status on October 23, 2023 will receive the 30% bonus upon issuance. Nationwide will provide a formalized Letter of Instruction template upon contract delivery, which will need to be signed by the client and returned to Nationwide prior to the end of the contractual free-look period.

### **FOR NEWLY ISSUED BUSINESS IN THE FREE-LOOK WINDOW:**

To receive the 30% bonus, issued contracts still within the free-look window will need to exercise the free-look provision. At a minimum, this process will require a new application, free-look letter of instruction and updated Certificate of Disclosure, all of which should reflect a signature date of October 23, 2023 or later. Please also check with the broker-dealer/firm on its free-look requirements.
